"OUR FOUNTAIN IS STYLE ALL THE WHILE"

NEGRO LYNCHED AT VALLIANT

ATTEMPTED TO ASSAULT WHITE GIRL—MOB DOES QUICK WORK.

Idabel, Okla., Dec. 6.—An unknown negro who assaulted the 12-year-old daughter of Lee Saunders, was hanged to a tree in the fair grounds at Valliant, twenty miles west of Idabel, Monday night.

The little girl was walking along the railway track near her home at about 4 o'clock in the evening, three miles west of Valliant, when she met the negro, who seized her without a word of warning and carried her to a secluded spot near by.

After being denuded the girl struggled with the black brute and escaped, running to her home which was not far away.

Upon hearing the girl's story her mother seized a gun and started in pursuit of the negro, who had followed his victim to a point near the home. The negro ran. The woman fired at him several times, but her excitement rendered her aim poor, and none of the shots took effect.

Three neighbors were attracted by the sound of the shots, however, and they started in pursuit of the fleeing negro, soon overtaking him. The negro was sullen and taciturn, refusing to give his name or say anything about himself. He appeared to be about 17 years old.

The men took him to a railway water tank not far from the Saunders home and boarded the first eastbound train that came along. The negro was taken to Valliant and there placed in the town lockup.

As soon as the news had spread about the town and surrounding country a crowd began to gather and excitement ran high. Toward midnight sentiment crystallized, the mob formed and marched to the place where the negro was confined.

The town marshal made a show of resistance, but he was quickly overpowered. A rope was secured, placed around the black's neck and he was taken to the fair ground. A suitable tree was found, the rope thrown over a convenient limb and the negro was soon swinging in midair. The swaying body was fairly riddled with bullets.

The work of the mob was done with quiet determination. Its members were thoroughly armed and a company of militia could not have prevented them from hanging the negro.

CLARK HEADQUARTERS OPENED AT ST. LOUIS

St. Louis, Dec. 6.—Without consulting Speaker Champ Clark, his friends Monday opened city headquarters here and state headquarters at Louisiana, Mo., to further the movement to procure for the Missourian the democratic nomination for the presidency in 1912.

An open letter recites in part as follows what they believe to be Speaker Clark's chief qualifications:

"The speaker's record invites scrutiny. He is conservative, yet progressive. He would make a vigorous and popular canvass of the country. He would carry his home state by an overwhelming vote. He would satisfy the democratic party. He would not injure any honest business."

A Correction.

In the account of the Davis killing at Steedman in yesterday's paper, a serious error was made in giving the name of the perpetrator of the deed. It was given as J. W. Harper when it should have been W. R. Harper. The mistake was due to an error on the part of the man from whom the reporter secured his information early in the morning.

WERE WANTED AT WELEETKA

TWO MEN CAPTURED TUESDAY BELIEVED TO HAVE BURGLARIZED FIVE STORES.

It develops that the two men captured Tuesday afternoon by Chief Hounshell on suspicion of being in unlawful possession of a lot of jewelry and a pair of guns, were badly wanted at Weleetka, where a round of five places of business was made Monday night.

In the raid at Weleetka they took about \$150 worth of jewelry and other small items from the store of W. H. Russell. In the package found here yesterday was about \$85 worth of the goods, all of which Mr. Russell was able to identify with ease. In the lot was an old watch which he prized very highly as a family relic. The two guns proved to be the property of W. H. Cronk, who also lost three other guns in the raid. Mr. Cronk identified his guns without difficulty.

At the Huey drug store the thieves took \$6.00 in cash and some cheap pocket books, one of which was in the lot captured. From a confectionery they took some cigars, and from the cash drawer of a meat market they took 35c in nickels.

The credit for the discovery of the stolen goods belongs to Robert Edwards, a school boy. Happening to notice the end of a handkerchief protruding from the hiding place of the stuff, he reached his hand into the place and made the discovery of the goods. He immediately notified Chief Hounshell who took the stuff into custody and replaced it with bricks weighing about the same as the jewelry. He kept a close watch on the place until late in the afternoon, when two men slipped the package and started off.

He placed them under arrest and on them found three fuses with dynamite caps attached. Later he found a piece of the fuse at the hobo camp ground in the jungles which the men had tested to see if the quality was all right. One of the men gave the name of Ed Marks and claimed to be from South Dakota. The other said his name is Ed Price and that his home is at Chickasha.

This morning the chief made a round of the business men and a purse of something over \$5 was quickly given to the Edwards boy for his part in the matter, he having shown rare presence of mind in telling no one but the officers about his discovery.

This afternoon a preliminary hearing was conducted before Justice Brown. The accused men offered no testimony and were bound over to await the action of the district court in bonds of \$2,000 each, in default of which they were returned to jail.

We paint the room at \$1.25 per gallon, the body for \$2.00 per gallon, the floor at any old price and finish up with wall paper decorations on the walls—Dr. Holly. 111-dtf

A WARRANTY DEED IS A SNARE; A DELUSION! It often conveys absolutely a bad title. Your lawyer will tell you so. It is not a present help in time of trouble.

REASON: Should your title be unmarketable and you want to perfect it by hunting up old deeds, procuring releases, court decrees—every step will be at your expense—even though you find it impossible to sell the land or obtain a loan without taking such step.

ADVERSE CLAIMS: An adverse claim is asserted; suit is brought against you, finally you are ousted from the premises.

RESULT: You go on your venditor. MAKE GOOD his WARRANTY if you can find him.

JUDGMENT: The law will give you only a money judgment. COLLECT IT IF YOU CAN. No lawyer's fees—nothing for entranced value of land—merely what you paid him and interest—about 6 per cent.

INDEED! Warranty deed sows the seed you reap two law suits for your money and brawn and the land is lost at last.

LAWSUIT: Placing your confidence in the man, upon his WARRANTY DEED is simply bidding for a law suit.

REMEDY: An abstract of title shows you exactly "WHERE YOU ARE AT." What you have for a title. We can protect you and help you.

NORMAL NEWS

This is the first day of the 1911 winter term, and the enrollment is increased by something like twenty new students. A decided improvement is noticed over the corresponding term of last year. Last term's exams moved off all right, the greater part of the students enrolled yesterday and the regular term work began today without the least delay. We do everything in a good lively way at East Central. We are never asleep. Come out and see it for yourself.

Everybody is feeling fine about the basket ball game last Friday night and the team is hard at work in practice, for we play Tishomingo down there next Friday night. We hope to beat 'em again.

The Congressional Record for the last session of Congress has just been received for the library. Congressman Chas. D. Carter keeps us well supplied with these records, which enable the classes in history to do valuable research work.

Lockers for books, wraps, etc., are being made for the girls and

will be ready for use the latter part of the week.

Supt. Scrugham of Coalgate spent Saturday and Sunday with Pres. Briles.

Pres. Briles will address the Seminole County Teachers Association which meets at Wewoka Saturday.

Basket ball games have been arranged with the state university and Edmond for after Xmas.

Our football season which has just closed was highly successful. Out of seven games played we won four. The greater part if not all of this year's team will return next year, thus assuring us of a very strong team.

All attention in the matter of athletics among the boys will now be turned to baseball. On all warm days we will get out and "limber up."

Most of last year's baseball team is with us again and we also have some very good material among the new students. We'll have a strong team anyway.

B. H. Epperson Appointed Trustee.

CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat, but what you digest and assimilate that does you good. Some of the strongest, healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Ada who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine, they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms. We urge you to try a 25c box of

Rexall Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time, your money will be returned to you if you are not satisfied. Of course, in chronic cases, length of treatment varies. For such cases, we have two larger sizes, which sell for 50c and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—the Rexall Store—Gwin & Mays Drug Co.

Today's News hows quite a mixture of type. The fact is that the mischief has been to pay in the comp sing room since early in the morning when it was discovered that the gasoline used for heating the metal pot on the linotype machine was no good. It required some little time, effort and perhaps a little profanity, to get the stuff out of the machine, replace it with real gasoline and get the machine heated up. In order to get the paper out on time the whole force, from editor to devil, went to work at the cases and set the greater part of the type by hand. "Senator" Brydia happened along and was also pressed into the service.

M'NAMARA BROS. ARE SENTENCED

JAMES B. GETS LIFE TERM--
JOHN J. FIFTEEN YEARS.

Los Angeles, Dec. 5.—James B. McNamara, aged 29, confessed murder by the dynamiting of the Los Angeles Times building, was sentenced to life imprisonment here today.

His brother, John J. McNamara, aged 34, secretary of the International Association of Bridge and Structural Iron Workers, who confessed to the dynamiting of the Llewellyn Iron Works, was sentenced to fifteen years in the penitentiary.

Twenty-one persons lost their

lives in the Times disaster. No one was killed in the Llewellyn Iron Works affair.

Imprisonment will be in the San Quentin penitentiary.

Two hours before court opened several hundred men and women assembled about the corridors of the Hall of Records to get the last glance at the prisoners.

The McNamara brothers faced the prospect of sentence with more than equanimity. They rose in good spirits and made rapid work of a big breakfast of ham and eggs, coffee and country sausage.

James B. McNamara smilingly met the greetings of his guards, while John J. worried considerably because his trousers had not been pressed with the proper creases.

Both men joked with jailor

Gallaher. They told him they expected to be his guest until the federal grand jury finished gleaning from them information which it is believed the United States authorities are seeking regarding the "inner dynamite ring."

Oscar Lawler, formerly assistant United States attorney general, today received word of his appointment as special prosecutor in the inquiry into the alleged dynamiting conspiracy.

"I am convinced," said Lawler today, "that the investigation will reveal one of the most dastardly conspiracies in the history of this country."

Mrs. Lilla G. English

Prison problems are attracting the attention of thinking people

everywhere. The subject is not hackneyed and worn out, but is vital and up-to-date. Add to this the attractive personality of the speaker, the beauty of her voice, unusual in its sweetness and sympathy quality, and you may carry home with you the memory of a most profitable evening.

Mrs. Lilla G. English will give a program on our lecture course on "The Boys Behind the Bars," at Normal auditorium Dec. 11.

LAND SALES
TOTAL \$125,000

The second sale of unallotted lands came to a close Tuesday afternoon. The total amount brought by the land sold at this time amounted to about \$125,000. Although the land was pretty well picked over at the first sale, and no reduction had been made in the appraised valuation, about 34 per cent of that offered at the second sale was bid in.

Altho the sales at some other points totaled more than the one at Ada, the officials stated that the average price bid above the appraisal was higher at Ada than anywhere else.

From here the party went to Tishomingo, and from there will move to Madill.

COTTON RECEIPTS OVER 10,000 BALES

The cotton receipts for the season are well on towards 11,000 bales, and it is now certain that they will go above 12,000 before its close. This will mean that 1911 will rank close to 1904 in point of receipts.

The receipts at the county yard now total 9,204 bales, to which when added the 2,196 round bales, counted as half bales, gives a total of 10,292 bales. Nor is this all. Two of the gins have lately been shipping their cotton direct, instead of sending it through the county yard, and their shipments added to the above, would undoubtedly make the figures close to 11,000.

The price of cotton is still dragging the top of the market now being 8.75 Everything has slowed up waiting for the ginner's report, which will be made public Friday.

J. C. Roland has entered the real estate business, as will be noted from his ad in this issue of the News. Mr. Roland will make his office with his son, R. C. Roland, in the Rollow building.

The ladies of the First Methodist church will have their Bazaar Thursday, Dec. 14th, at the Farmers State Bank. All are requested to carry the things for the Bazaar to Mrs. J. B. Emory's Wednesday, Dec. 13th. 208-3t

Tomorrow night the Desota will have one of the greatest feature pictures that any manufacturer of motion pictures has ever attempted to make. This special feature is entitled "From the Bottom of the Sea." The U. S. Government assisted in this picture, the makers, the famous Imp Co. using a U. S. sub-marine boat. There has been special music arranged for this picture. This theatre guarantees tomorrow night's program.

THROW OUT THE LINE.

Give the Kidneys Help and Many Ada People Will Be Happier.

"Throw Out the Life Line"—

The kidneys need help.

They're overworked—can't get the poison filtered out of the blood.

They're getting worse every minute.

Will you help them?

Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair.

O. P. Oldham, prop. of store, Coalgate, Okla., says: "I began using Doan's Kidney Pills about six months ago when I was feeling out of sorts, as the result of disordered kidneys. I suffered from dull pains through my back and loins and other pronounced symptoms of kidney disease. Being advised to try Doan's Kidney Pills, I procured a box and they proved to be just what I needed. Soon after I began using Doan's Kidney Pills the backache disappeared and my kidneys were restored to a normal condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

MRS. MCGILL BROKE DOWN

Gives the Real Facts In Regard to Her Case and Tells How She Suffered.

Jonesboro, Ark.—"I suffered a complete break down in health, some time ago," writes Mrs. A. McGill, from this place. "I was very weak and could not do any work. I tried different remedies, but they did me no good. One day, I got a bottle of Cardui. It did me so much good, I was surprised, and took some more.

Before I took Cardui, I had headache and backache, and sometimes I would cry for hours. Now I am over all that, and can do all kinds of housework. I think it is the greatest medicine on earth."

In the past fifty years, thousands of ladies have written, like Mrs. McGill, to tell of the benefit received from Cardui.

Such testimony, from earnest women, surely indicates the great value of this tonic remedy, for diseases peculiar to women. Are you a sufferer? Yes? Cardui is the medicine you need. We urge you to try it.

N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.
